QUALITY POLICY

Our main aim and mission;

- We aim to ensure reliability, respectability and continuity for our customer
- We aim to ensure adoption and continual improvement of ISO 9001:2015 Quality Management System in our organization
- We aim to carry out our progress by following technological developments
- We aim to manage the customer feedback effectively and eliminate non-value progress and increase the quality level and decrease the costs by implementing efficiently the quality system at each stage of production
- Moreover, we aim to progress towards continuous improvement with customers and staffs and in this way to produce superior quality and valued goods
- With all these aims, we continue our work and activities

Our mission;

We commit to being a company that increases customer satisfaction with service and product quality in sector of packaging materials, plastic parts and top-table in White goods in both domestic and foreign markets with our global and local customer.
